

Back to the Lab

Save up to 46% when you upsize your cold storage capacity*

Maximize your storage with 2- or 3-door laboratory refrigerators

Thermo Scientific™ TSX and TSG Refrigerators: Energy efficient, cost efficient, and space efficient. Buy a 2-door refrigerator instead of two single-door units and save at least 9" of linear floor space. Buy a 3-door refrigerator instead of three single-door units and save at least 20" of linear floor space.

Features for TSG and TSX refrigerators include:

- Local audio/visual alarms and alarm contacts
- Digital setpoint control
- ENERGY STAR™ Certification, natural refrigerants, industry leading warranty

The TSG unit is best suited for: semi-critical products such as reagents, media, proteins, and other samples requiring a controlled environment.

The TSX unit is best suited for: vaccines, enzymes, chemotherapy and pharmaceutical compounds, and other valuable and sensitive medical- and laboratory-grade products.

*Offer open to customers in the US and Canada. Offer valid for orders received between June 1, 2020 and September 30, 2020, or until promotional supplies are depleted, whichever comes first. Please order using these special catalog numbers to take advantage of special pricing on products listed. Please ask your sales representative for details. Valid only in connection with the catalog numbers in this promotional brochure. "Discount", "savings" or similar terms represent difference between manufacturer's published list price and manufacturer's suggested price for promotional offer. Manufacturer reserves the right to discontinue or modify this promotion at any time.

Customer acknowledges that this offer may include a discount or other price reduction that must be properly and accurately accounted for and reported by customer in accordance with all federal and state laws, including without limitation the federal anti-kickback law (42 C.F.R. § 1320a-7b(b)(3)(A)) and regulations thereunder (42 C.F.R. §1001.952(h)). Not valid in connection with any other offer or discount. Void where prohibited by law or company policy. Please note that items represented at no cost represent "in-kind discounts" and should be reported accordingly. Prices and specifications or products subject to change at any time.
